Dear Parent/Carer,

International Week at Beam 2024

As a school, we greatly value and embrace the rich diversity within our community, and all events aim to celebrate the cultures and heritages represented by our pupils and their families.

Throughout the week we will be organising a range of activities in each class to promote cultural understanding, appreciation, and inclusion. This will provide a wonderful opportunity for our pupils to learn about different traditions, customs, and practices from around the world, fostering an environment of global awareness and respect.

Mystery Guest - Thursday 11th July

We would like to invite parents as a 'Mystery Guest' to Beam as an opportunity for pupils know more about some of the great people who make up our community. We would like visitors to briefly speak about their culture or heritage-whatever it is that makes you and your family unique! You may like to bring in some special items or photographs to show the children, therefore you would need to feel confident to speak to a whole class. We ask that you do not bring in any food due to various allergies.

If you would like to take part, please complete the forms link below:

Celebrating in cultural dress - Friday 12th July

All pupils are invited to come to school wearing clothes that celebrate their own culture or heritage.

Whether it is traditional attire, colours, or symbols which they feel represents them, we encourage creativity and pride in showcasing their cultural identity. This is not only an educational exercise but also an enjoyable and engaging experience for all involved.
