Your child can only borrow books from the library if they are a member. If they are not already a member, please follow the link below to sign them up. You can either pick up their library card directly from the library, or we can collect it on our first visit. Joining the library is quick, easy, and free. All you need is one proof of your name and current address.

If your child is already a member but has lost their card, a new one can be issued free of charge. If the card was lost more than two years ago, please use the above link to sign up again.

Children will need to bring their library card to school on their library day. These will be collected by the teacher in the morning and returned to the children at home time so they won't need to be responsible for it during the visit. This should help prevent any cards from being lost.

We are also looking for parent helpers to support these trips. If you are available, please email the school office at office@beam.bardaglea.org.uk. We would very much appreciate your support.

Children will attend school as normal and have lunch as usual before visiting the library.

Kind regards,

The Reception Team
