Dear Parents/Carers

SEND Provision Survey

We are keen to hear from parents and carers to:

- reflect on our provision and processes
- celebrate anything that has gone well
- listen to your suggestions

If your child has special educational needs or disabilities, or you feel that they might have special educational needs or disabilities, please could you take 5 minutes to fill in this survey.

Your responses will help shape our vision for SEND provision at our school:

Please may I also take this opportunity to thank you all for your continued support. We understand that being a parent of a child with SEND can bring both rewards and unique challenges, and we want you to know that we value your dedication, recognise your resilience and appreciate your collaboration with us.

Many thanks,
Miss Mooney, Mrs Gholampour & Mrs Kinsella
